

#### LEGEND

#### GENERAL NOTES:

1. This application is intended for a preplanned temporary closure not to exceed 15-20 minutes.
2. The flagger shall stop the first vehicle from the position shown, then cross the traffic lane to stop other vehicles.
3. The engineer will determine the length of storage area, 'B', necessary to accommodate stopped traffic during the closure. 'B' shall not be less than the corresponding 'A' distance for the posted speed limit.

SPEED LIMIT	Approximate Spacing	
	"A"	"B"
35 mph	80 m	See note 3
45 mph	105 m	
55 mph	150 m	

All dimensions given in millimeters unless noted.
